Wine Maker's Notes: Fruity and refreshing, our Albariño 2015 was produced from just over four acres of vines from three vineyard sites on our property. Our most established Albariño vines are ten years old, and newer vines have been planted in recent years. This wine pairs well with local seafoods, especially Virginia oysters.

Aging and Fermentation: This wine underwent a 15-day fermentation at 60 degrees F, optimal conditions for allowing the wine to retain its delicate bouquet.
