

CHESAPEAKE CHARDONNAY

Bottled: October 8, 2014
Production: 493 cases
Alcohol Content: 12.5%

Wine Maker's Notes: Fermented in stainless steel tanks, this wine has a nice minerality and a clean finish. Perfect with oysters, crab cakes and fish.

Aging and Fermentation: Cold fermented in stainless steel tanks, this wine finishes well with a lingering crisp flavor. It remained in the cool tanks until bottling.
