Varieties:	100% Chardonnay
Bottled:	Feb. 10, 2018
Production:	535 cases
Alcohol Content:	12.5%
Residual Sugar:	1.5%

**Wine Maker's Notes:** Blue Crab is part of our new Chesapeake Series of wines. The label showcases the blue crab, an iconic symbol from our Chesapeake Bay region. These wines are made to pair with local seafoods or be enjoyed on their own.

Serve with white meats and seafood. With a slightly sweet finish, this wine also makes a great aperitif!

**Aging and Fermentation:** Cold fermented in stainless steel tanks, this wine retains the lively acidity of our grapes. It remained in the cool tanks until bottling.
