Bottled:	February 17, 2018
Production:	514 cases
Alcohol Content:	12.5%
Residual Sugar:	9%

**Wine Maker's Notes:** Sweet Rose Mallow is part of our new Chesapeake Series and features the Rose Mallow flower, which is indigenous to the Chesapeake Bay region.

This sweet rosé features pineapple and apricot aromas. Its velvety finish leaves you wanting more! Recommended with cakes, sorbets, and desserts. Best served chilled.

**Aging and Fermentation:** Separate grape lots are fermented in stainless steel tanks. Blending takes place prior to bottling to give complexity and a unique flavor profile.
